RESTAURANT

OREA

# Welcome to The Edge Restaurant

In the heart of the Giant Mountains, with breathtaking views of the mountain panorama, we bring you a unique dining experience.

Our cuisine, under the direction of Chef Robert Loos, is based on first-class ingredients, modern techniques and a passion for perfect taste. Robert has worked in some of Prague's leading restaurants and hotels, with his most notable experience as head chef at Aromi, where he developed a deep knowledge of Italian gastronomy, and as junior sous-chef at the prestigious Alcron Hotel. In addition, he has completed internships not only in the best Italian restaurants, but also throughout Europe, allowing him to combine different culinary styles into unique dishes.

Our specialty is fresh pasta, which we make ourselves using premium ingredients. We offer our customers a variety of shapes that are carefully selected to match each style of dish. Thanks to our own production, we can not only guarantee maximum freshness, but also bring you the magic of Italian pasta in its purest form.

Wine lovers will enjoy our carefully compiled wine list, which includes a wide selection of white, red and sparkling wines from the prestigious wine regions of Moravia, France, Italy, Austria and other countries. We also offer a selection of natural wines that are produced with minimal intervention and reflect the unique character of the terroir. We serve selected bottles using the Coravin system, which allows you to taste even rare wines by the glass without oxidation and loss of quality.

Enjoy moments of comfort in the elegant surroundings of the OREA Resort Horal Špindlerův Mlýn and let yourself be carried away by the flavours that combine tradition with innovation.

**The team of OREA Resort Horal wishes you a good taste!**
